## GENERAL ORDER.

HORSE GUARDS, May 2, 1825.

HIS Majesty having been graciously pleased to approve the accompanying Regulations for the Sale and Purchase of Commissions of Unattached, Retired Full, and Half Pay Officers, they are now promulgated to the Army; and His Royal Highness The Commander in Chief enjoins the strictest compliance therewith.

By Command of His Royal Highness  
The Commander in Chief.

HENRY TORRENS,  
Adjutant-General.

*Regulations for the Sale of Retired Full Pay and Half Pay Commissions.*

25th April, 1825.

Half Pay Officers, and those on Retired Full Pay, shall be permitted to dispose of their Commissions as Unattached Half Pay Commissions, in the manner, and upon the terms hereinafter described.

To include the Officers actually serving in the Veteran Battalions, who may be considered as belonging to both Lists, but who cannot now sell; as also General Officers, who may be in the receipt of the Half Pay, only of that Regimental Rank on which they retired.

That the Officers on the Retired Full Pay, and those serving in Veteran Battalions, shall receive the Prices for their Commissions, established by His Majesty's Regulations in 1821.

That the Officers who were *Reduced* to Half Pay, having purchased or served Twenty Years, and the Officers obliged to retire upon Half Pay, in consequence of Wounds, or Health impaired by Climate, shall also receive the same price for their Commissions.

That Officers having retired to Half-Pay at their own request, not in consequence of Wounds, or Health impaired by Climate, although they should have purchased, shall receive only the old Price, as established by the Regulation in force previous to 1821.

ACTUAL PRICE.		OLD PRICE.	
Lieutenant-Colonelcy	£4,500	Lieutenant-Colonelcy	£3,500
Majority - - -	3,200	Majority - - -	2,600
Company - - -	1,800	Company - - -	1,500
Lieutenancy - -	700	Lieutenancy - -	550
Second Lieutenancy	500	Second Lieutenancy	450
Ensigny - - -	450	Ensigny - - -	400

The Officers selling out shall receive the Sum to which they may be respectively entitled under these Regulations, as may be directed by the Commander in Chief.

And in order to avoid the possibility of communication between the Parties, the Purchaser will be directed simply to lodge his Money for his Promotion to the higher Commission, the Seller being afterwards selected by the Commander in Chief, from the Lists registered in His Royal Highness's Office; nor will any other than an unconditional Resignation, nor any application which adverts to any expected vacancy, be admitted.

The Surplus, if any, will, in all cases, be held at the disposal of the Lords Commissioners of His Majesty's Treasury, for the public use.

The Price paid and received shall, in all cases, be that of the Infantry Commissions, as in the cases of Unattached Commissions, which have been hitherto sold, whether the Individual selling shall be on the Half Pay of Cavalry or Infantry, and the Purchaser shall, in all cases, be placed on the Half Pay of Infantry.

The Individuals disposed to avail themselves of this arrangement, upon the Terms specified, shall make application to the Commander in Chief, through the Military Secretary, when their Claims will be investigated and determined upon, and their Names will be registered accordingly.

The Purchasers will be recommended to His Majesty by the Commander in Chief from the Lists kept in his Office.

The Sales to take place under the following Restrictions:—

No Person to be allowed to sell at either rate who has passed the Age of Sixty Years, or who cannot produce the Certificate of the Army Medical Board; if in a Foreign Colony, the Certificate of a Medical Board; or, if no Board can be assembled, of the Senior Medical Officer: shewing that his Retirement does not result from impaired Constitution, threatening earlier dissolution than a Person of his age may expect in the common course of nature.

No Officer to be allowed to sell, unless he shall have purchased his Commission, or unless he shall have served Twenty Years in the whole, if a Lieutenant-Colonel, Major, or Captain.

Fifteen Years if a Lieutenant.

Twelve Years if an Ensign, of which, at least, one-half on Full Pay, or in the discharge of active professional Duties; except he should have been placed on Half Pay in consequence of Incapacity, from Wounds or Infirmary, not now affecting his general health and constitution.

Those having purchased whose Services do not amount to the above Periods, or who have not been placed upon Half Pay on account of Incapacity produced as above stated, to receive the value only of the Commissions they may have purchased at either rate, according as they have been reduced, or have retired at their own request.

Those who have taken the Difference, and who may be otherwise circumstanced as above stated, to receive the Value of their Commissions at the old Rate, *minus the amount of the Difference previously received by them.*

Those who have been placed on Half Pay in consequence of the Sentence of Courts-Martial, or of circumstances prejudicial to their Character, to be excluded from the benefit of this Arrangement; or, if it be thought fit to relieve the Half Pay List from them (as they cannot be called into Service) to receive a Sum not exceeding the value of their Annuity.

It is to be understood, that no Officer on the Retired or Half Pay List, who may hold a Garrison Situation, will be permitted to retain it, if he should sell under this Arrangement.

Further, that the general Arrangement shall be limited to those actually on the Half Pay or Retired List; and the time allowed for its operation shall be limited to one Year for Officers at Home, and to one Year and a half for Officers residing in distant Colonies or Countries.

Those Officers who have purchased Half Pay Commissions, as unattached

Commissions, would, after serving on Full Pay in the Rank so purchased, be as admissible to the permission to sell what they may have purchased as any other Officers on Full Pay, under His Majesty's Regulations.

The Purchasers of the Half Pay Commissions, above the Rank of Ensign, shall be invariably Officers on Full Pay.

No Officer shall be allowed to purchase *Two* steps on Half Pay, without having served in the intermediate time *Two Years* on Full Pay, it being of course understood, that his general period of Service would otherwise entitle him to the Promotion.

N.B. Officers who volunteered from the Militia into the Line will also be allowed to dispose of their Half Pay, subject to the above Regulations, for two thirds of the value of their respective Commissions.

*Promotions, Appointments, &c. during the Month of December, 1825.*

1. The first part of the paper is devoted to a general  
discussion of the problem. It is shown that the  
problem is of great importance in the theory of  
the differential equations of the second order.  
The problem is to find the general solution of the  
equation  $y'' + p(x)y' + q(x)y = r(x)$  when  $p(x)$ ,  $q(x)$ ,  
and  $r(x)$  are functions of  $x$  which are continuous  
in a certain interval  $I$  and satisfy the conditions  
 $p(x) \neq 0$  and  $q(x) \neq 0$  in  $I$ .

2. In the second part of the paper the method of  
variation of parameters is applied to the equation  
 $y'' + p(x)y' + q(x)y = r(x)$ . It is shown that  
the general solution of the equation can be written  
in the form  $y = y_1 + y_2 + y_3$ , where  $y_1$  and  $y_2$  are  
the solutions of the homogeneous equation  $y'' + p(x)y' + q(x)y = 0$  and  $y_3$  is a particular  
solution of the inhomogeneous equation.

3. In the third part of the paper the method of  
undetermined coefficients is applied to the equation  
 $y'' + p(x)y' + q(x)y = r(x)$ . It is shown that  
the general solution of the equation can be written  
in the form  $y = y_1 + y_2 + y_3$ , where  $y_1$  and  $y_2$  are  
the solutions of the homogeneous equation  $y'' + p(x)y' + q(x)y = 0$  and  $y_3$  is a particular  
solution of the inhomogeneous equation. The method  
of undetermined coefficients is applied to the case  
when  $r(x)$  is a polynomial, a function of the form  
 $e^{ax}$ , or a function of the form  $\sin bx$  or  $\cos bx$ .

4. In the fourth part of the paper the method of  
variation of parameters is applied to the equation  
 $y'' + p(x)y' + q(x)y = r(x)$ . It is shown that  
the general solution of the equation can be written  
in the form  $y = y_1 + y_2 + y_3$ , where  $y_1$  and  $y_2$  are  
the solutions of the homogeneous equation  $y'' + p(x)y' + q(x)y = 0$  and  $y_3$  is a particular  
solution of the inhomogeneous equation. The method  
of variation of parameters is applied to the case  
when  $r(x)$  is a function of the form  $e^{ax}$ ,  $\sin bx$ ,  
or  $\cos bx$ .

## GENERAL ORDER.

*HORSE-GUARDS, 25th April, 1826.*

THE arrangement detailed in the annexed Official Memorandum having received the approval of The King, and the same having been adopted with a view to the general efficiency of the Service, and to meet the immediate advantage and convenience of the respective classes of Regimental Officers holding Brevet Rank, to which its provisions exclusively apply, His Royal Highness the Commander in Chief communicates to the Army His Majesty's gracious intentions upon this occasion, in order that Officers on Regimental Full Pay, who shall be entitled to profit thereby, may have the opportunity of doing so without delay.

By Command of His Royal Highness

The Commander in Chief.

HENRY TORRENS, Adjutant Gen.

HIS MAJESTY has been graciously pleased to approve of the following arrangement, with a view to the general efficiency of the Service, in the Regimental Ranks of Major and Captain on Full Pay of the Infantry, and to the advantage and convenience of Officers who now hold their Regimental Rank with Superior Brevet Rank in the Army.

Regimental Officers on Full Pay who hold Brevet Rank in the Army superior to their Regimental Rank, shall have the option of retiring upon an Unattached Commission, on Half Pay of the next Effective Rank, above that which they hold Regimentally, and shall afterwards be permitted, if they should be so disposed, to avail themselves of the Regulations of the 25th April last, by selling that Unattached Half Pay Commission.

The actual Regimental Commissions from which the individuals are thus promoted, are to be in every instance filled from the Half Pay.

The Commissions of Captains, by Captains from the Half Pay, having no Brevet Rank higher than that of their Regimental Commissions.

The future Claims of Officers, retiring to Half Pay under this arrangement, shall, in consideration of their Services, not be affected by such Retirement;—and as the arrangement is made with a view to the convenience and advantage of the Service, they shall be considered as standing on the same footing with respect to provision for their Widows and Children, as Officers placed on Half Pay by Reduction, or on account of Wounds and Infirmities.

Three Months will be allowed to each individual from the date on which he accepts the Promotion to the Regimental Rank on Half Pay, to enable him to determine whether he is desirous of selling his Commission.

It must be understood that the Sale of Half Pay Commissions consequent on this measure, is distinct from that allowed by the Regulations of 25th April last, and that the period fixed by those Regulations will not be extended with respect to the individuals to whom they refer; also, that no Officer above the age of Sixty Years, who shall avail himself of the option of Promotion to the higher Regimental Rank on Half Pay, shall be allowed to dispose of that Half Pay; Certificates of Age must therefore, in every case, accompany the application to sell.

to avail themselves of this arrangement, will receive information at the Colonial Department.

The Officer, to whom Land is granted, shall give some security that he, or his family, shall reside for at least seven years in the Settlement, and the Grant shall not be allowed to be sold by him, until he shall be reported to have expended upon it a capital equal to half its value, as that value was estimated at the time when his Grant was made.

In the application of this arrangement to the Officers of the Army, the following Regulations are to be observed:—

Officers on full-pay, who have purchased their commissions, or who have served twenty years, are to be permitted to dispose of their commissions in the usual manner, at the price fixed by His Majesty's Regulations.\*

Officers on half-pay, whether they have, or have not purchased, and whatever may have been the period of their Service, provided it be not less than ten years, to be permitted to sell their commissions for two-thirds† of the value fixed by the last Regulation, and without being subject to any of the restrictions imposed by the Regulations of 25th April, 1825, excepting those which apply to age, and health, and character. The surplus,‡ viz. one-third of the value to be paid in such manner as His Majesty's Government shall direct; the price given by the purchaser, being in each case, the full value of the commission.

The Officer, who may avail himself of this offer, will be required to provide for his own passage, and that of his family, to the Colony; and out of the proceeds of his commission, to place in the hands of the Government a sum equal to one third value of the commission, to be reserved for the cultivation of the Land, and which sum will be repaid to him upon his arrival in the Colony, and upon his taking possession of the Grant.

By command of His Royal Highness,  
the Commander in Chief.

HENRY TORRENS,  
Adjutant General.

### GENERAL ORDER.

*HORSE GUARDS, 24th May, 1826.*

THE King is pleased to command, that henceforth every Officer of the Army who wishes to be presented at a Foreign Court, shall make his Application for that purpose, through His Majesty's Ambassador, Minister, or Chargé d'affaires (as may be) resident at the said Court, and through no other Channel whatsoever.

By Command of His Royal Highness,  
The Commander in Chief.

HENRY TORRENS,  
Adjutant General.

The individuals who shall be disposed to take advantage of the first part of this arrangement upon the terms specified, will make application to the Commander in Chief, through the Military Secretary; such application to be transmitted by their respective Commanding Officers, within One Month after they shall have become acquainted with the arrangement.

As one of the objects of this arrangement is to secure to Regiments the services of effective and efficient Field Officers and Captains, it is His Majesty's pleasure that the arrangement, so far as it provides for the Removal of Brevet Officers to Half Pay, with Promotion to the Regimental Rank, shall be imperative with respect to those holding Staff Situations, unless they should prefer giving up their Staff Situations, and returning to Regimental Duty in their Regimental Rank, and upon this point they are required to make an immediate communication to the Military Secretary for His Royal Highness the Commander in Chief's information.

### GENERAL ORDER.

*HORSE GUARDS, 8th June, 1826.*

EARL Bathurst, the Secretary of State for the Colonial Department, having communicated to the Commander in Chief the Rules which His Majesty's Government have laid down for regulating the Grants of Land in the Colonies of New South Wales and Van Dieman's Land, to persons proceeding thither as Settlers, and his Lordship having suggested that it would be desirable to encourage Officers of the Army, and more especially those on half-pay, to become Settlers in that Colony, by holding out to them superior advantages, in consideration of their services; His Royal Highness hereby makes known to the Officers of the Army, the Regulations approved by His Majesty for carrying these, His Majesty's gracious intentions, into effect.

The Rules under which Lands may be obtained without purchase, are as follows:—

That no free Grant shall be made to any Officer under the rank of Captain, nor to any officer who shall not produce satisfactory testimonials from the Commander in Chief's Office, of good conduct and unexceptionable character.

That in these cases, a remission of quit rent shall take place for a certain number of years, beyond the average period which is prescribed in the case of ordinary Settlers, according to the following scale:—

Officers who have served twenty years and upwards, to be exempted from all quit rent.

Officers who have served fifteen years and upwards, but short of twenty years, to be exempted from quit rent for the first twenty years.

Officers who have served ten years and upwards, but short of fifteen years, to be exempted from quit rent for the first fifteen years.

In other respects the conditions on which the Grants are made, to be similar to those which are now in operation in New South Wales, with certain modifications, respecting which, the Officers, who may be disposed
